AMENDMENT UNDER 37 CFR 1.111

Sir:

In response to the Office Action dated June 6, 2001, please amend the application as follows:

IN THE CLAIMS

Please substitute claims 1, 9, 11 and 14 for the pending claims with the same numbers respectively:

-- 1. (Amended) A system comprising:

an induction machine with a stator and a rotor, said stator having a plurality of phase windings;

an inverter having a plurality of solid-state switches with appropriate controls and having the same number of phases as said induction machine, said inverter being connected to selectively energize said windings; and
